

NO TAX ON TIPS UPDATE

What is “No Tax on Tips?”

“No Tax on Tips” is a provision of the recently passed One Big Beautiful Bill Act (“OBBBA”). It is a federal income tax deduction that can be claimed by an employee for tax years 2025 through 2028.

How much is the deduction?

The OBBBA allows for a deduction of up to \$25,000.00 for “qualified tips.”

What are “Qualified Tips?”

Qualified tips include voluntary tips received by an individual in an occupation that customarily and regularly received tips prior to the enactment of the OBBBA. The tip must be paid voluntarily. It cannot be a mandatory service charge or auto-gratuity.

What jobs qualify for the deduction?

There are eight occupation categories that qualify for the deduction. The eight general categories are as follows:

- Beverage and Food Service
- Entertainment and Events
- Hospitality and Guest Services
- Home Services
- Personal Services
- Personal Appearance and Wellness
- Recreation and Instruction
- Transportation and Delivery

The Treasury Department’s official list of occupations is attached and marked as Exhibit A for identification purposes.

What does a client of Southeast Personnel Leasing, Inc. (“SPLI”) need to do to assist leased employees with this deduction?

The client will:

- Continue to collect tip information from leased employees for the period of 01/01/2025 through the present.
- Continue to report leased employee tip information to SPLI.

- Collect the names, applicable Treasury tipped occupation code, and the total amount of qualified tips received by each eligible leased employee during the employee's employment with SPLI from 01/01/2025 through the present.
- Confirm this information when contacted by SPLI at the end of the year.

What is SPLI's role?

SPLI will:

- Continue to withhold federal income, social security, and Medicare taxes for all leased employees.
- Report each eligible leased employee's client-reported Treasury tipped occupation code on the leased employee's Form W-2.
- Report each eligible leased employee's client-reported qualified tips received during the employee's employment with SPLI from 01/01/2025 through the present on the leased employee's Form W-2.

What does a leased employee need to do to claim the deduction?

The leased employee will use the tip information noted on Form W-2 to claim the deduction on his/her personal tax return (Form 1040).

NO TAX ON OT UPDATE

What is "No Tax on OT?"

"No Tax on OT" is a provision of the recently passed One Big Beautiful Bill Act ("OBBBA"). It is a federal income tax deduction that can be claimed by an employee for tax years 2025 through 2028.

How much is the deduction?

The OBBBA allows for a deduction of up to \$12,500.00 per employee (\$25,000.00 if married) for "qualified overtime compensation."

What is "Qualified Overtime Compensation?"

Qualified overtime compensation is overtime paid under the Fair Labor Standards Act ("FLSA"). This is overtime for time worked over 40 hours per week.

Other forms of premium or overtime pay, such as where state law overtime requirements exceed those of the FLSA, are not qualified overtime compensation.

What portion of FLSA overtime qualifies for the deduction?

Only compensation more than the regular rate is included in the deduction. For example, if an employee's regular rate of pay is \$10.00 per hour and \$15.00 per hour for overtime, only \$5.00 of the overtime rate of pay will qualify for the deduction.

What does a client of Southeast Personnel Leasing, Inc. ("SPLI") need to do to assist leased employees with this deduction?

The client will:

- Continue to report to SPLI all overtime paid to leased employees for the period of 01/01/2025 through the present.

OCCUPATIONS THAT CUSTOMARILY AND REGULARLY RECEIVED TIPS ON OR BEFORE DECEMBER 31, 2024

Occupations That Customarily and Regularly Received Tips on or Before December 31, 2024

Set forth below is a preliminary list of occupations that customarily and regularly received tips on or before December 31, 2024, for purposes of the “no tax on tips” provision of the One, Big, Beautiful Bill Act (OBBA Act). The official proposed list of such occupations will be published in the Federal Register as part of forthcoming proposed regulations from the Treasury Department (Treasury) and the Internal Revenue Service (IRS). Treasury and the IRS anticipate that the official proposed list will be substantially the same as this preliminary list. Public comments will be requested on the official proposed list of occupations and other aspects of the proposed regulations.

In addition to requiring that qualified tips must be received in an occupation that customarily and regularly received tips on or before December 31, 2024, the OBBA Act provides that tips do not qualify for the deduction if they are received in the course of certain specified trades or businesses -- including the fields of health, performing arts, and athletics. Treasury and the IRS anticipate issuing additional guidance on the types of occupations and trades or businesses that are subject to this carve-out.

¹ Related Standard Occupational Classification (SOC) System Code(s) is the code(s) from the 2018 Standard Occupational Classification System that most closely correlates to the Treasury Tipped Occupation Code (TTOC). However, certain occupations as described by the TTOC may be either narrower or broader than the Related SOC code occupation to reflect better the occupations in which individuals customarily and regularly received tips on or before December 31, 2024. As such, the TTOC Occupation Descriptions and TTOC Illustrative Examples provided in the table have, in many cases, been modified from the Related SOC code(s). That is, certain occupations within the Related SOC code may not have customarily and regularly received tips on or before December 31, 2024, and therefore would not be included in the TTOC occupation.
